

BRITISH WAR VESSELS CLEANING UP GERMANS IN SCANDINAVIAN WATERS

**Commerce Raider Crocodile
and Five Armed Trawlers
Were Sunk in an Engage-
ment on Friday, Accord-
ing to Information from
Copenhagen**

BRITISH ADMIRALTY TELLS OF THE BATTLE

**And Announces That Pris-
oners Are Being Brought
In—Wounded Men from
German Auxiliary Cruiser
Sunk in North Sea Were
Landed To-day at Elsinor,
Denmark**

London, Nov. 3.—The admiralty announces that certain British forces have been engaged in the Cattegat arm of the North sea between Sweden and Denmark and that prisoners are being brought in. No further information is yet at hand.

Copenhagen, Nov. 3.—A German commerce raider and five armed trawlers have been sunk by British destroyers in Scandinavian waters. The commerce raider Crocodile, which was disguised, and the trawlers were sunk yesterday in the Skagerrak arm of the North sea between Norway and Denmark. The British destroyers thus effected another clean-up of German naval forces in Scandinavian waters.

Elsinor, Denmark, Nov. 3.—Wounded men from a German auxiliary cruiser sunk in the North sea were landed here to-day.

DIRECT TRADING PROHIBITED

**Exports of Flour Will Be Handled By
Food Board.**

New York, Nov. 3.—The milling division of the United States food administration announced here last night, effective immediately, that all direct trading by American millers, exporters and blenders of flour with European countries is prohibited. This business will be handled hereafter only by the food administration.

The new regulations were made, it was stated, "to effect proper control and to centralize the handling of exports of flour to European neutrals," and in order to "protect the interest of consumers who have necessarily had to pay a relatively high price for flour purchased in very small packages."

It also was announced that effective Dec. 1 all flour millers operating under agreement with the federal food administration "will not be permitted to sell flour in packages of other than one-eighth, one-quarter and one-half barrel or larger, and from Jan. 1, 1918, no miller will be permitted to ship flour in packages other than these described."

"It is anticipated," a statement said, "that the elimination of the small sacks may temporarily disturb established trade customs, but it is believed that in districts of congested population the retailer will meet the situation to some extent by the sale of flour from bulk packages in the grocers' sacks."

NO GERMAN OPERA.

**Will Be Sung at Metropolitan Opera
House in New York.**

New York, Nov. 3.—The board of directors of the Metropolitan Opera company announced last night that no performance of opera in the German language will be given during the present season. This means that a number of German singers will be eliminated from the role of artists.

Official announcement that the ban has been placed on German music confirmed earlier information that the directors had virtually decided on this action.

Among the prominent German singers who, it is understood, will not appear this season are Madame Ober, Madame Selma Kurt, Johannes Sembach and Carl Braum. Mesdames Hempel and Matzenauer, who although their names are German, are said to be thoroughly loyal in their Americanism, will, it was said, appear in French and English opera.

The action taken by the board was announced as response to a growing sentiment against the use of German language. It means that Wagner and Beethoven will be eliminated from the repertoire. There was no intention at any time, it was said, to put on operas this year by Richard Strauss, a living German composer.

GIVEN FAREWELL RECEPTION

**Before Coming to Vermont Industrial
School Position.**

Westboro, Mass., Nov. 3.—A reception took place last evening in the assembly hall at the Westboro Lyman school for boys for Principal Charles W. Wilson, who has been at the school 14 years and has been appointed superintendent of the boys and girls' state industrial school in Vermont. Early in the afternoon in the same hall Mr. Wilson was given a farewell reception by the 500 boys of the institution.

At the reception in the evening the teachers and officers at the school presented him a gold chain and gold charm. The presentation speech was made by Supt. Charles A. Koeler and there were speeches by Asst. Supt. Vincent Meigs, Physical Director John W. Brown and Miss Anna Wilson. A musical program followed.

GERMANS MAKE BIG RETREAT

**Forces of the Crown Prince
Have Been Withdrawn in
the Aisne Sector to the
North Bank of the Ailette
River and Have Destroyed
the Bridges Over That
Stream**

FRENCH FOLLOWING CLOSELY ON HEELS

**The Retirement Is Between
the Oise Canal and the Re-
gion of Corbeny—Move-
ment Comes After Great
Capture of Guns by the
French on That Sector**

Paris, Nov. 3.—The French are advancing between the Oise canal and the region of Corbeny and have reached the south bank of the Ailette river, the war office announced to-day. The Germans have retreated to the north bank of the river and destroyed the bridges across.

Since October 23 the French have captured 422 guns and 720 machine guns. In ten days 23 German airplanes have been brought down. Of these, 21 were destroyed by French pilots after combat and by special cannon.

BERLIN TELLS OF RETREAT.

**Says It Was Conducted Systematically
and Without Interference.**

Berlin, via London, Nov. 3.—The Germans have retreated from points along the Chemin des Dames in the Aisne sector of the front in France, according to an official German communication. The communication gives no reason for the manoeuvre, but says that it was made during Thursday night systematically and without interference from the French troops.

KERENSKY SHOWED LACK OF SENSE

**In Blaming British Fleet for Not Enter-
ing the Baltic, Says Gen. Gurko
of the Russian Army.**

London, Nov. 3.—General Gurko of the Russian army, who arrived recently in England, says in an interview that Premier Kerensky showed lack of political sense and tact in blaming the British fleet for not entering the Baltic. He declared that such an entry was not only impossible but could not have been carried out in time to prevent the Germans from landing on the islands of the Gulf of Riga.

The Petrograd correspondent of the Daily Telegraph, now in London, writes that Premier Kerensky's statement seems to have been taken a little too seriously in some quarters. Probably all he wished was to indicate facts familiar to close students of Russia. It is true that Russia is worn out. Unfortunately only the outbreak of the revolution military exigencies prevented the truth from being told about Russia's share in the war which has been greatly underestimated.

KAISER HOPES TO KEEP MICHAELIS IN SERVICE

**So He Says in Official Announcement
Telling of Appointment of
Hertling.**

Copenhagen, Nov. 3.—Count George F. Hertling has been appointed imperial German chancellor. This is announced in an official statement received here from Berlin. The German emperor in a rescript to Dr. Michaelis, the retiring chancellor, expresses the desire to employ him further in the imperial service.

SO. BRAZIL IN FOMENT.

**Germans There Are Stirring Up a Ruc-
tion.**

Buenos Aires, Nov. 3.—Measures of the most drastic sort have been taken by the authorities in southern Brazil against a threatened uprising of the large German colonies there, according to highly censored news from the region in question yesterday. It is reported all Germans have been dismissed from the government service.

The uprising in progress in southern Brazil is completely paralyzing railway traffic, according to private reports received in railway circles here. The strikes inaugurated in this district are said to be spreading to other parts of Brazil. It is reported that only the strictest military measures are making the movement of any trains possible.

NEARLY FIVE MILLIONS

**Have Signed the Food Pledge Card in
United States.**

Washington, D. C., Nov. 3.—Signing of more than 622,000 pledge cards during the day was reported to the food administration last night by voluntary workers throughout the country, who are enlisting housewives for food conservation. This brought the total for the week to 4,641,190.

Michigan now leads the states with 231,851 cards, of which 68,296 were signed yesterday.

GETS INJUNCTION ON HUSBAND.

**Restraining Him from Transferring Farm
Property.**

Rutland, Nov. 3.—An injunction has been served on William Morgan of West Rutland which restrains him from transferring or encumbering a farm property owned by him in West Rutland, pending a hearing on a petition instituted by his wife, Mrs. Susan Gifford Morgan of this city, who seeks separate maintenance. The papers were served yesterday by Deputy Sheriff Henry R. Adams.

The petition for separate support was brought by Attorney C. V. Poole, counsel for Mrs. Morgan, and a hearing has been set for Monday afternoon at one o'clock before Chancellor Stanley C. Wilson, who signed the injunction order.

Mrs. Morgan alleges in her petition that she was married to Mr. Morgan on Oct. 8, 1913, by Ensign Craig, a minister of the gospel, and that she lived with Mr. Morgan until a few weeks ago when he refused to support her. She claims that she is now living in this city and is under the care of Dr. J. A. Heide, that she has attempted to return to her home but she has been forcibly restrained from doing so by her husband.

The petition alleges that Mr. Morgan is the owner of a farm house, barns, and 30 acres of land in West Rutland valued at \$15,000 and Mrs. Morgan asks for an allowance each week besides counsel fees.

ANOTHER PARSONAGE FIRE.

**Rev. C. W. Moore's Barn at Newport Center
Destroyed.**

Newport, Nov. 3.—A barn, the property of Rev. C. W. Moore, at Newport Center, was destroyed by fire early last evening, together with hay, grain and a few farming tools. It is not known how the fire originated.

When discovered it had gained such a headway that the only possible method of procedure was to protect the buildings nearby which caught fire several times.

At one time it seemed as if the buildings on the same side of the street would be consumed, and a hurry call was sent to this city for help. A detachment of the fire company together with the chemical engine, went to the scene of the fire and did good work in confining it to the barn where it originated. The loss is estimated at \$1,000, with but slight insurance.

SPOKE TO FAT MEN.

**Congressman Greene Called Before Men
of Much Adipose Tissue.**

Wells River, Nov. 3.—The 13th annual meeting and banquet of the New England Fat Men's club was held here last night at Hale's tavern, about 50 sitting down to the banquet. With the fat men, none of whom weighed less than 200, and some of 275, dined Congressman Frank L. Greene, and several newspaper men and ministers as invited guests.

At the business meeting the following officers were elected: President, Willis A. Ford of Springfield, Mass.; secretary, H. E. Parker of Bradford; treasurer, J. H. Hale of Wells River; executive committee, the officers and Judge H. P. Baldwin of Wells River, and Dr. Davis of Hartford, Conn. David Wilkie, founder of the club, presided at the banquet. Congressman Greene delivered the principal address.

DRAFTED MAN SHOT IN WRIST.

**Jacob Deutel, Middlebury College Foot-
ball Man Was to Report Wednesday.**

Middlebury, Nov. 3.—Jacob Deutel, the big left tackle of Middlebury's football team, accidentally shot himself in the wrist yesterday while cleaning his revolver in his room at Heppburn hall. The shot splintered the bone of the left arm. Dr. Ross, the college physician, attended Deutel and he was later removed to a Burlington hospital. Deutel had been drafted and was to report at camp next Wednesday.

TALK OF THE TOWN

**Born, Oct. 27, to Lieutenant and Mrs.
Clarence J. LePage of Beckley hill, a
daughter, at the hospital in Manchester,
N. H.**

Occupants of a house opposite Phelps' mill on the East Barre road took fright at a chimney fire this forenoon and appealed to the fire station for assistance. Assistant Chief Carpenter and another regular responded in the service in guarding against an outbreak of fire. The call came at 11:40 o'clock and as soon as the danger of a blaze was over the firemen returned to their quarters. No damage was done.

Lieut. Clarence LePage of Beckley hill returned to Camp Bartlett at Westfield, Mass., yesterday morning, after a few days' furlough, which he spent with his parents, Mr. and Mrs. Charles LePage, and sister, Mrs. J. H. Morehouse of Beckley hill, also his sister, Mrs. Grace L. DuCharme, of the Miles point block.

At recent elections held at Wellesley college, Miss Mavis Claire Barnett, 1920, daughter of Dr. J. W. Barnett, former pastor of the Congregational church, was elected associate editor of the Wellesley College Magazine. Miss Barnett is the only sophomore on the board of editors.

Miss Barnett was also recently elected to "Scribblers," a society of college poets with a very limited membership, and was one of two sophomores to be so honored.

Edith Johnston, the little daughter of Mr. and Mrs. James Johnston of Highland avenue, is recovering satisfactorily from the results of an unusual mishap in which she figured Wednesday. The child obtained a small length of metal tubing and was using it for a flute when she stumbled on the stairs at her home and fell. A physician who was consulted found the child's chestbone had penetrated the child's palate, although not deeply, and now that the danger of infection seems to have passed, a quick recovery is anticipated.

A shortage of 150 cars in Barre alone is one of the worries which are keeping granite manufacturers awake nights and as winter draws near the possibility of an acute shortage of cars is growing less and less remote. The supply of box cars for the district is far below the average, even though it is larger than the supply of flat cars. With respect to flat cars the scarcity is described as the most threatening in the history of the district. Manufacturers are being advised to use box cars whenever possible and not to apply for flat cars when there is any probability that an upright car will serve the purpose.

Railroad officials do not encourage the chippers to believe that the shortage will be remedied for several months.

U. S. PICKET BOAT WITH 12 MEN LOST

**Bodies of Three Men from
the Battleship Michi-
gan Are Found**

ALL TRACE OF OTHERS LOST BY NAVY DEPT.

**The Boat Went Down in
Home Waters, It Is
Announced**

Washington, D. C., Nov. 3.—The navy department has been advised that a picket boat of an American battleship in home waters has foundered and that her crew of twelve are missing. The department says that on October 30 a picket boat of the United States ship Michigan foundered and apparently the entire crew was lost. The finding of the bodies of three and the failure to find other trace of the boat of occupation leads the department to believe that all were lost.

Among those lost was Clarence I. Jones, a seaman, whose mother lives in Buckport, Me.

BIG CLEAN-UP AT CAMP DEVENS

**Is Followed By 200 Bonfires, Which
Alerted Neighboring Country
To-day.**

Ayer, Mass., Nov. 3.—Smoke from 200 bonfires in various parts of Camp Devens to-day caused alarms in nearby towns and started reports that a fire was raging in the cantonment. Practically all the 30,000 soldiers in camp were engaged in piling up rubbish from camp clean-up day on fires which were carefully guarded.

VERMONT FOOD CAMPAIGN

**Shows That 35,342 Cards Have Been
Signed.**

Burlington, Nov. 3.—Returns from the food pledge card campaign with six counties yet to hear from give Vermont 35,342 signed cards, 71 per cent of the minimum goal of 50,000 families and 40 per cent of the maximum goal of 87,681 families. The reports from the counties to headquarters at Burlington are as follows:

County	Minimum	Maximum
Windsor	125	71
Chittenden	120	70
Franklin	88	50
Caledonia	89	50
Rutland	88	50
Bennington	80	47

Addison	73	43
Windham	70	39
Grand Isle	33	31
Lamoille	42	24
Grand Isle	38	22
Windham	36	21

The counties have made the following percentages toward their proportions of the minimum goal and of the maximum goal:

County	Per Cent.	Per Cent.
Windsor	125	71
Chittenden	120	70
Franklin	88	50
Caledonia	89	50
Rutland	88	50
Bennington	80	47
Orleans	78	46

EXPECT GOOD SHOWING.

**To Be Made in Washington County in
Food Pledge Campaign.**

The Washington county committee in charge of the food pledge card campaign stated at the headquarters in Montpelier to-day that the reports from the 20 cities and towns of the county are expected to be received to-night or Monday. The county committee had reason to believe that campaigners were working in every town and the prediction was made that Washington county will measure up well with the other thirteen counties of the state although it has not been represented (excepting Barre) in the figures given out in the state headquarters at Burlington.

VERMONT WOMAN SUFF PICKET.

**Miss Lucy Daniels of Grafton Known as
Tax Remonstrant, Too.**

Grafton, Nov. 3.—Miss Lucy Daniels, a native and lifelong resident of Grafton, is one of the suffragists who have been prominent in picketing at the White House in Washington and was one of those recently arrested there. Her father while a resident in Grafton accumulated a fortune in cotton in New Orleans many years ago, leaving a comfortable amount to two daughters and three sons. Two of the latter are attorneys in Chicago and one in Kansas City. Miss Daniels is a cousin of the Hon. John Barrett of Washington. Several years ago she refused to pay taxes in Grafton until her sex could have suffrage and a quantity of government bonds owned by her were sold by the collector to satisfy the assessment, causing considerable interest in this locality. She usually spends her winters in Boston.

DESERTION CHARGED

**Against Moses James McTeer, Arrested
in St. Albans.**

St. Albans, Nov. 3.—Moses James McTeer, 22 years old, who for some time has been employed as porter at the American house, was arrested yesterday charged with desertion from the United States army. McTeer was drafted into the national army and ordered to report for duty Sept. 12 at Lebanon, N. H., his home, the local board of that place.

He was born in Richford.

TO MAKE SHARP DRIVE FOR Y. M. C. A. WAR FUND

**Washington County Is Being Thoroughly
Organized for the Campaign to
Be Conducted During Week
of Nov. 11.**

D. M. Claghorn of Boston, who is director of the state campaign, and C. H. Ellinwood, director of the state boys' campaign for the Y. M. C. A. fund, of which Vermont's quota is \$152,000, spoke before the Washington county chairman and other invited guests at the city courtroom in Montpelier yesterday afternoon, there being some 25 from eight towns attending. George Haseltine has been chairman of the Montpelier committee and he will select his committee before the meeting, which will take place Sunday afternoon, while F. G. Howland of Barre was named as county treasurer. All town committee treasurers will make their report of funds obtained to Mr. Howland.

Among those attending the conference from the different towns were Dr. O. G. Stickney of Barre, John Spaulding of Warren, Burton Ward of Moretown, D. B. Dwinell of Calais, Mr. Haseltine of Montpelier. Among those who spoke at the conference were L. B. Brooks, whose son wrote him that "if he was to give any money to any cause connected with the war, he would make it to the Y. M. C. A." W. C. Colton, F. E. Steele, H. D. Larabee, Rev. F. Barnaby Leach and Dr. Wesley Meade.

Following the meeting Dr. Stickney explained the plan which is arranged in Barre showing that the city had been mapped out for the campaign, and Mr. Ellinwood stated that the work in Barre is far ahead of any other place they have heard of in the state. If the present arrangements are carried out a big meeting will take place in Barre Wednesday of next week, at which Mr. Ellinwood and Mr. Claghorn will speak, and it is possible that the women will be talked to by Mr. Ellinwood relative to the work among the boys. It is the purpose of the state committee to organize a boy's club in each town with a man at the head, each boy to earn between now and April 1, \$10 for the war fund.

Mr. Ellinwood has been with the regulars at the Mexican border as a soldier and realized what the moral condition was at that time and the need of improvement. He told what has been done by the Y. M. C. A. for the soldiers in the cantonments and referred to what the foreign countries think of the work, how they have only praise for it. Incidentally he told those who have not been supporters of the Y. M. C. A. that this work must not be narrow but be carried on in a bigger way, that Catholic boys receive the same attention as others, the government having recognized the training which the Y. M. C. A. leaders have in the work. He was in charge of the Y. M. C. A. work at Camp Bartlett during the time the Vermonters were there before going to France. He spoke of the call that has come from Russia for 300 secretaries and explained that if they had had Y. M. C. A. workers that they would have avoided much of their recent trouble. He explained the immediate need of money.

Mr. Claghorn discussed the moral condition of the armies before the Y. M. C. A. took hold of the work and how that Pershing has stated that if the institution will build its huts near the Swiss frontier he will not grant a single pass to go to Paris, that the morals of the American troops may be kept as good as possible. He said it has been conceded by the allies that they cannot win the war without the work of the Y. M. C. A. in France.

F. E. Steele stated he thought that the food, clothing, Red Cross and Y. M. C. A. come in order in the needs of the soldiers. L. B. Brooks read a portion of his letter from his son which included the statement above and which the Boston men copied for use in their work. Rev. Mr. Leach spoke of the work of the institution as he had seen it during the war from frequent visits to Montpelier and their stories as told at others. He stated explicitly that no collections will be taken at gatherings. They have found that a poor policy and do not use it. The campaign will be the work of 12th of this month. They hope to drive Vermont's share to \$300,000.

The Barre End of the Drive.

Barre's end of the statewide, nationwide campaign for a Y. M. C. A. fund of \$3,000,000, which is to be inaugurated throughout the United States Nov. 11, is to be borne up by a community committee which plans to proceed along lines followed in the food pledge and Liberty loan campaigns. Dr. O. G. Stickney is chairman and Supt. C. H. White secretary and treasurer of the campaign committee. To-day the following ward committee members were announced: Ward 1, Rev. J. B. Reardon; Mrs. F. H. Rogers; ward 2, H. A. Phelps, Mrs. A. P. Abbott; ward 3, F. D. Ladd, Miss Penelope Galt; ward 4, Edwin Keast; ward 5, Rev. Joseph F. Plainfield; ward 6, Dr. J. W. Jackson, Miss Wilhelmina Walker. A large number of canvassers are to be engaged in the work and to expedite the campaign the city is to be divided into districts.

The campaign begins Wednesday and will continue till Nov. 19. Before next July it is expected that the American army and navy will include 2,500,000 men. To continue the good work so well begun, it is imperative that the Y. M. C. A. should be well equipped with funds and the appeal for contributions is to include the large and small giver, as the offering is designed to be a genuinely popular subscription coming straight from the American people.

APPROXIMATELY 1,500 NAMES

**Have Been Affixed to Food Card Pledge
in Barre.**

A gain over yesterday's total of more than 200 names was indicated in latest returns from the food pledge campaign in Barre to-day, when Chairman H. A. Phelps reported an aggregate of 1,486 pledges received. Yesterday's figure was 1,290, so that the actual gain was 196 to-day. The canvassers who conducted a drive for pledges earlier in the week had the end of their work in sight to-day and by nightfall it is expected that pretty much all of the districts will have reported. It is hoped that the total may exceed 1,500, although the promoters of the food administration plans in Barre are unanimous in expressing satisfaction over the whole-hearted manner in which Barre householders have bound themselves to co-operate with the government.

AUTO DUMPED INTO THE RIVER

**M. E. Northrop Wrecked
in Water Under
turned Machine**

WAS SEVERELY CUT; TWO OTHERS UNHURT

**Steering-Gear Broke on the
Road Between Montpelier
and East Montpelier**

While motoring to their homes in Marshfield from Waterbury, where they had been attending a district meeting of the Knights of Pythias, M. E. Northrop, Nathan Plumley and D. R. Tibbets were thrown into the Winooski river between Montpelier and East Montpelier at 2 o'clock this morning, by the way, is the owner and driver of the car, was pinned under the machine as it overturned into the water, being able to keep his head above water but receiving a cut on the forehead and on one leg. The water at that point was about two feet deep above the mud.

In explaining the accident to-day the men stated that they were running along all right but that in attempting to get out of a rut the steering gear broke, causing the machine to turn over the bank into the river, which, by the way, is the pond formed by the dam of the No. 4 plant of the Tenney company. The machine tipped upside down and Mr. Northrop was pinned underneath. He was able to keep his head above water, but suffered considerably from exposure to the water. When the machine was lifted so that Mr. Northrop could be removed he was unconscious. He was carried to the house of Harry Holmes, where he was attended by Dr. W. R. Harkness who had been called from Montpelier, together with help from the Spooner & Super garage. The other men were not injured.

The Marshfield men were members of the degree team from Marshfield and they were in their uniforms at the time of the experience. They continued their journey this morning, while men from the garage hauled the overturned machine from the water.

PLEASING FARCE GIVEN

**As Prominent Feature of Reception to
Spaulding Freshmen.**

One of the most enjoyable, as well as one of the largest attended, freshman receptions in the history of the school was given to the incoming class at Spaulding high school last evening by the members of the three upper classes, in the Spaulding assembly hall. As a result of the labors of the committees of the upper classes, an excellent program was arranged, while the customary program of marches and dances was also indulged in.

Lawrence Campbell, president of the 1918 class, acted as master of the ceremonies and in his official capacity he spoke a few words to the members of the freshman class. The first number of the program was a vocal solo by Harold Martin, he being obliged to respond to an encore. The main feature of the program, which was a farce, entitled "His Methodist Foot," was given by a cast composed of members of the upper classes. Dean Davis in the role of a bookseller headed the cast, in which several promising thespians appeared, and aroused the mirth of the audience on his several appearances on the stage, while the remainder of the cast was made up of Frank Wells as Mr. Jones, Miss Helen Roscoe as Mrs. Jones, Harold White and Miss Madeline McDonald as Bobby and Sally Jones, Miss Corinne Eastman as Mrs. Morse, Miss Ruth Averill as Mrs. Ryan, Miss Marion Rogers as Mrs. Brown and Miss Kathryn Angers as Mrs. Hubbard. The cast was directed by Miss Eva Smith of the faculty, whose good work was reflected in the production of the farce. After the production, a violin solo was rendered by Roger Erickson, while Dean Davis gave a mandolin selection, the program ending with a humorous reading by Prof. Edwin Smith of the faculty.

During the evening refreshments of punch and wafers were served, while marches and dances made up the rest of the evening's entertainment, the freshman march being led by Gordon Reardon, president of the class, while the senior march was led by Lawrence Campbell, president of that class.

The committee of the upper classes, to whom a great deal of credit is due, was composed of Misses Vivian Marston and Madeline McDonald, and Theron Morse and Dean Davis of the senior class; Misses Marjorie Love and Hilda Martinson and Frank Wells and Howard McKnight of the junior class, and Misses Gladys Rowell and Lucy Wells, and Earl Lane and Stewart Carson of the sophomore class.

SENTENCES ON MONDAY

**For the Respondents Who Have Pleaded
Guilty in County Court.**

In county court Friday afternoon Judge L. P. Slack announced the weekend recess until 2 o'clock Monday afternoon, when those respondents who have pleaded guilty are expected to appear for sentence and fining, as the case may be. The assistant judges were at the courthouse this morning going through the bills for the quarterly period.

The case of Cobb Hersey and company of Barre against Manuel Villa, better known as Charles Villa, has been entered in county court. The amount set forth in the bill is \$1,500 and the allegation appears in the writ that Villa intended to abscond from the state. The bill is for liquor sold the defendant.

The case of Calder & Richardson of Barre against E. E. Henderson of Woodville, N. H., to recover \$400 for carpentering done by the plaintiff has also been entered in the same court.

Burlington Man Injured in War.

Ottawa, Ont., Nov. 3.—Last night's casualty list from Europe included as wounded: J. Kennedy, Burlington, Vt.
